

Introduction to Holochain

POWERED BY HOLOCHAIN

Grace Rachmany

grace.rachmany@holo.host

**Holochain is a framework for
building distributed apps.**

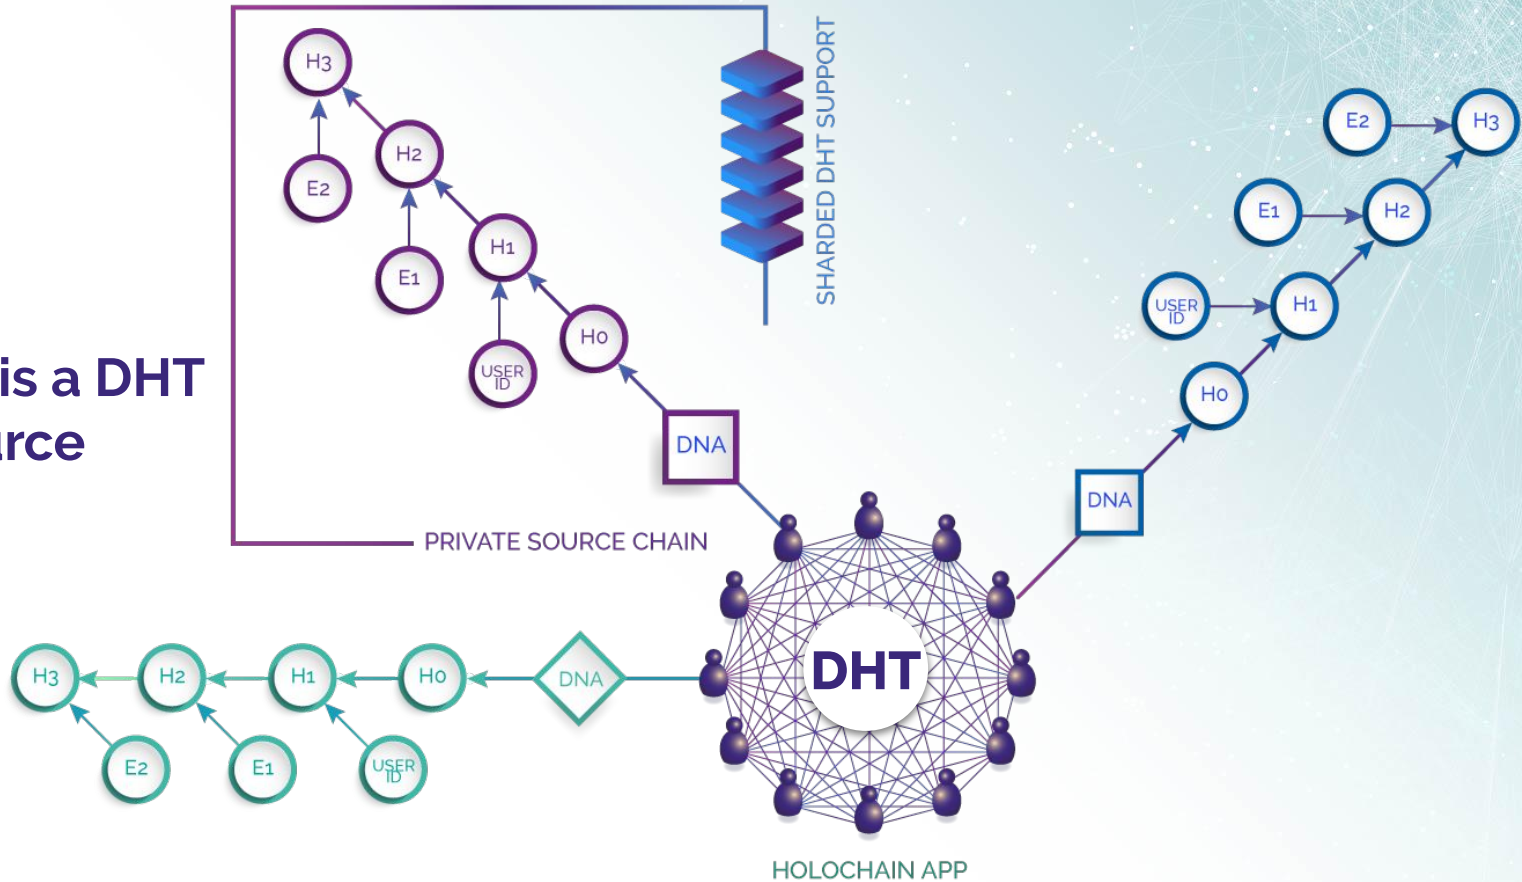

POWERED BY HOLOCHAIN

What is agent centric?

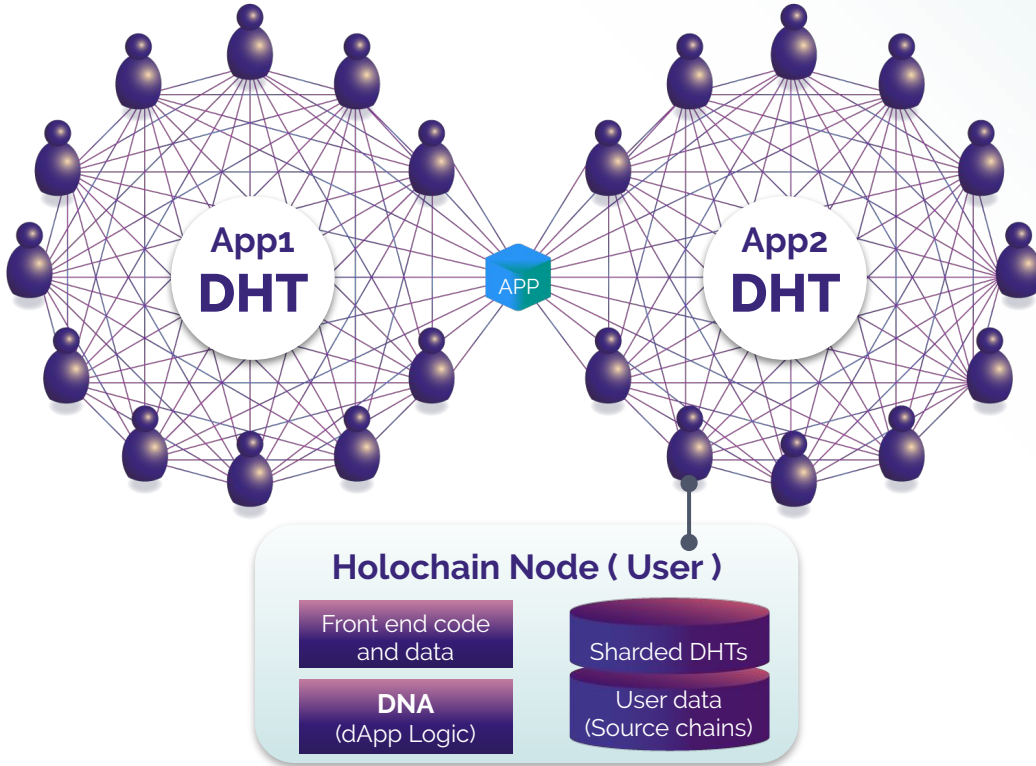

Agent centric
Games: Agree on rules

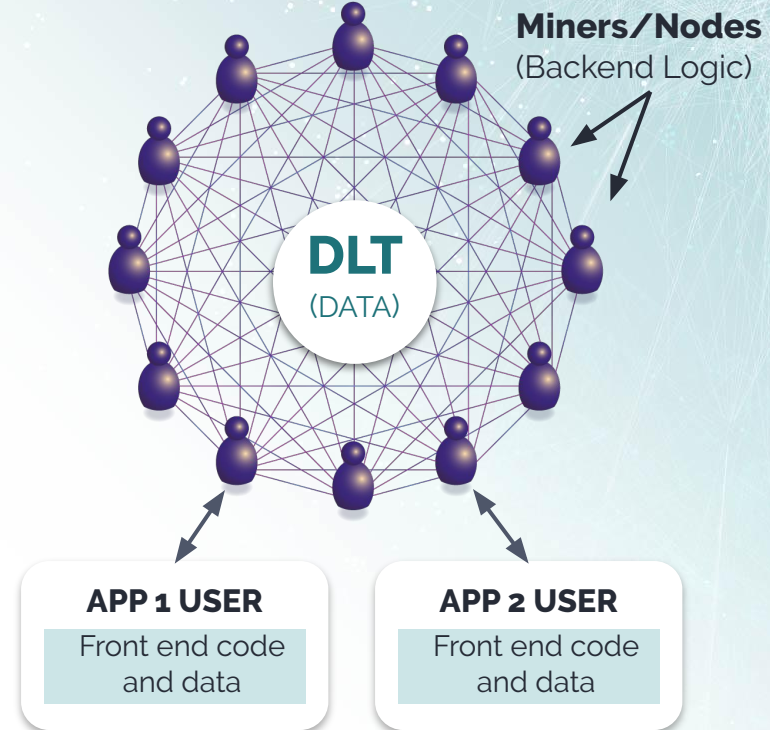

Holochain is a DHT of user source chains

Holochain Architecture

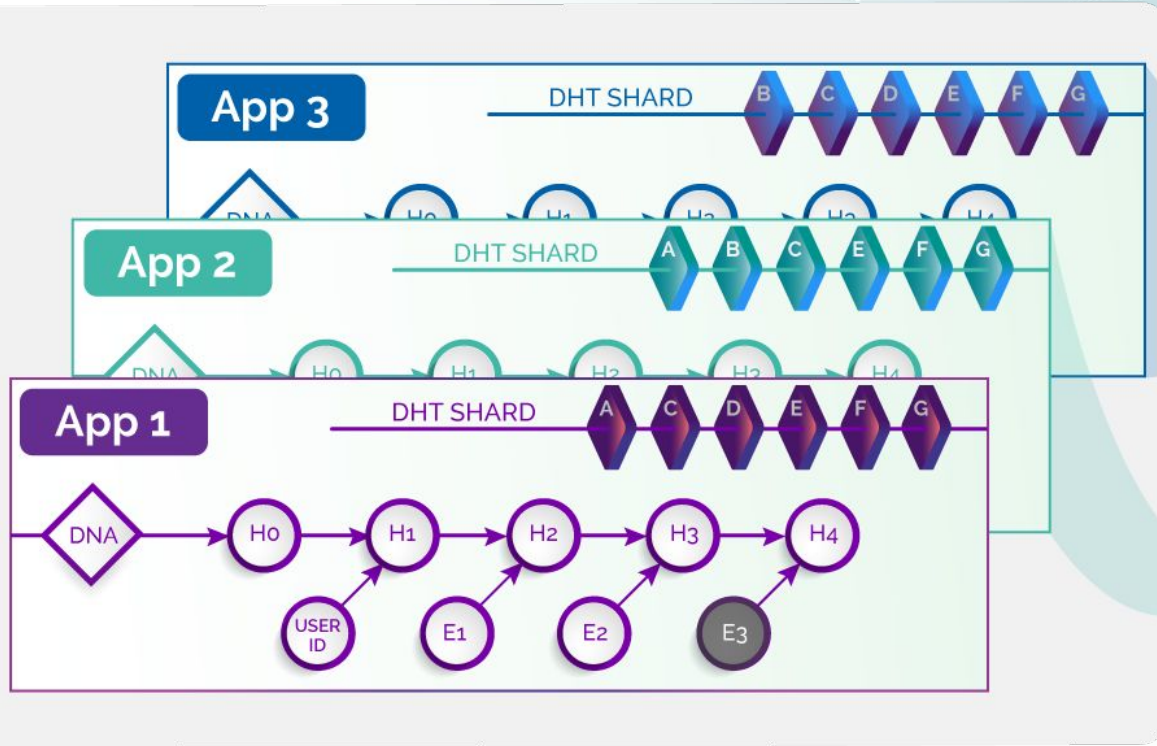

Blockchain Architecture

BOB'S NODE

No Global State

There is no truth. There
is only perception.
- Gustave Flaubert

Wishafriend.com
